

BR Ohio Installs 1-Color Digital Canon ColorStream Press

In response to market demand and inquiry, BR is happy to announce the installation of our latest print solution, a 1-color Digital Canon ColorStream press now operational at BR Ohio in Cincinnati.

Canon

ColorStream

BR Ohio's new 1-color digital production lane, which includes bindery support, is operational and offers publishers a unique and trusted alternative for 1c short-run book printing.

KEY FEATURES

- 1-color 6 x 9 traditional trade trims
- Larger format 1-color: 7 3/8" x 9 1/4" up to 8 1/2" x 10 7/8"
- The 1C can run any size from 5x8 to 8-1/2x11. Trim is dependent on paper stock.
- 50# and 60# white offset stock. Watch for our addition of lighter-weight cream stocks in Phase 2!
- Perfect Bound Paperback, Saddle stitch, Loose-leaf or Mechanical Binding
