Tailored Solutions for K-12 Schools

Every school has unique fulfillment needs. Don’t settle for a generic solution. Our customizable and scalable fulfillment services are specifically designed to meet your needs, ensuring a perfect fit for your program.

The Advantage of Location

Why settle for a fulfillment provider with one location? BR’s national footprint includes 3 strategically located centers, reducing delivery times and shipping costs.

Faster Order to Shipment Turn Times

Delight your school community with faster order processing and shipment. By integrating our systems directly with yours, we enable quick receipt of orders, efficient product pulls, streamlined kitting, and rapid fulfillment, ensuring that your items reach your schools within days.

Automated Systems

Automated systems put information at your fingertips inventory management automation quickly informs you of product stocking levels, sparking reorder reminders so you never run out.

Order management automation provides visibility into process and status so you can closely follow you programs out the door.

Easy eCommerce Integration

As your 3pl provider we integrate with multiple sales channels and shopping carts, including ebay, amazon, and walmart, to package and ship directly to doorsteps.

Leverage our network

Save time and costs by leveraging our vast network for product sourcing. We handle both domestic and overseas supply chain sourcing and provide customs assistance, allowing your staff to concentrate on your core objectives of nurturing educational growth.

State-of-the-Art Warehousing

Rest easy with state-of-the-art, secure warehousing facilities. Clean, organized and automated inventory receipt, stocking, location tagging, and usage allows us to keep track of thousands of product sku’s in our well-lit, secure facilities.
